

Parenting Puzzle

During this 4 week course for parents of under 5 year olds you will be introduced to the Four Constructs (Building Blocks) for positive, constructive relationships and calm, confident parenting. You will learn about the power of praise and positive interaction, develop understanding of empathy and the importance of play, as well as learning positive approaches to discipline and boundary setting.

£5 per person for the course.

Course fee refundable upon 100% attendance.
Attendance at all 4 sessions is important.

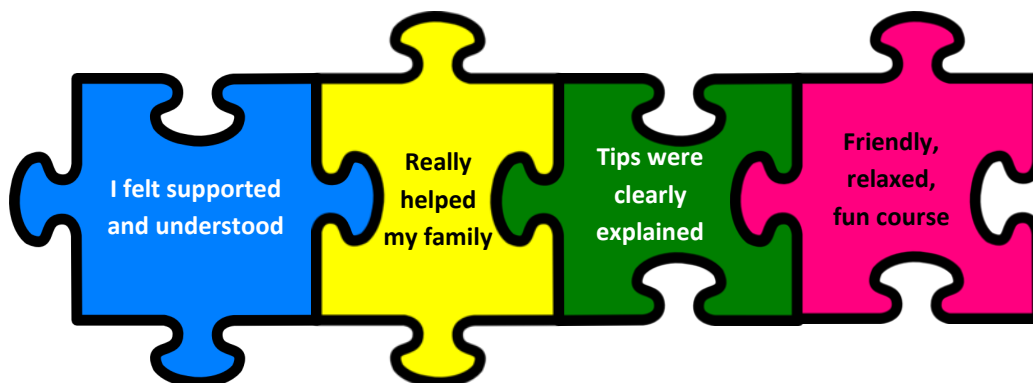

Fridays 9.30-11.30am

For course dates see Stanwell Family Centre website

Request a place by completing a Stanwell Family Centre Services Form, available in the centre or on our website.
